

~~ERHARD TO VISIT INDIA~~  
ERHARD TO VISIT INDIA. Economics Minister Erhard will visit India on an invitation from the former Indian Minister of Finance. Well-informed Bonn circles indicate that the trip will also have political importance. Both countries are interested in financial aid from the Federal Republic. The minister will also participate in a meeting of the World Bank in New Delhi, and well-informed circles assume that he will sign a new West German-Japanese trade agreement.
