Mr. and Mrs.

Dear

It has been a long time since we have seen each other and since I have been in Frankfurt. I hope that you and the children have fared well and that all of you are happy and healthy. On a recent visit to my wife's place I learned that you had intentions to come by there and I hope that we can meet there some day and enjoy a nice evening together.

Dear , today I am coming to you for assistance and I sincerely hope that you can help out in the matter. From the enclosure you will see what is needed. Dr. Gueslerberg, who is presently associated with a very important German government agency, in the past has been very helpful to us and our office in unravelling some of the "once upon a time" problems with which our office has to deal. His name is probably familiar to you, as he is the son of a former German politician from the Republican era. Above all, Dr. Gueslerberg is a very democratic and progressive minded person and enjoys the full confidence of the staff of our office. I should like to help him in preventing the person as described in the enclosure from stepping back into government position. Therefore, if you are able to secure the Fahndungsblatt "Kernst 1946/47", please obtain a certified copy or a photostatic copy thereof.

Awaiting your reply I sign off with best regards,
as always,

*Yours friend
Hans*
