20 Nov 56, MR by Subject stated that he had been slotted as a Oberregierungsrat; that he had passed the first step towards civil service status in an interview with a representative of the Federal Government. The next step will be an exam before a personnel committee of the Gov't to determine his qualifications from a legalistic point of view for ORR. This exam might come as soon as six months.

Subject also stated that he was trying to have V-1401, SCHMIDT, Eric, instated in the Bundeswehr with the rank of Capt. According to Subject SCHMIDT had been a mere 2nd Lt during the war.

BACKGROUND:

FELFE, Heinz Paul Johannes, born 18 Mar 1918 in Dresden. Currently resides Munich 27, Friedrich Herchelstrasse 3. Subject, (alias FELKE, alias FREIBURG), served as Criminal Commissioner in Dresden until his transfer to Amt VI (Amt Ausland) of the RKKA in 1937 or 1938. Subject worked in Department "Switzerland" of Amt VI. Subject's Nazi Party number was 3 710 348. Prior to the end of World War II, Subject served in the Sicherheits Polizei (Sipo) with the rank of SS Obersturmfuehrer (1st Lt). Information dated 2 April 1948 indicates that Subject was employed at that time by Messrs. BUTTER and/or FROEN, British Intelligence Officers, 6th Area Intelligence Office, Cologne, where he reportedly worked on Kommunistische Partei Deutschlands (KPD) matters. (UNEVALUATED) In late 1949 or early 1950, Subject was active in the Nauheimer Kreis, which is headed by Professor Doctor Ulrich NOACK. In the course of his activity with this organization, Subject took part in a conference at Weimar and on several occasions traveled into the Soviet Zone of Germany. Subject worked for the Kaiser Ministry (Ministry for All-German Affairs) in 1950, and dealt essentially with matters concerning the Volkspolizei (Vopo). At this time Subject ran afoul of the Interior and/or the BFV because he falsified information in regard to himself. Subject entered the Gehlen Organization in 1951, and came to be the main organizer and central figure of the "SD" clique. Information dated 28 October 1954 indicates that Subject interceded with General Reinhard Gehlen in behalf of one Karl SCHUETZ to enable SCHUETZ to retain his position with the Gehlen Organization. SCHUETZ and Subject were two major suspects in a Gehlen Organization security leak.
