1. Reference is made to your communication of 1 August 1956 in which you requested a covert security approval for the Subject to be brought to the United States on a CIA-sponsored visit under Project ZIPPER/UJIRACO. It is understood that the Subject is a member of the German Intelligence Service.

2. In accordance with the provisions set forth in Clandestine Services Instruction No. 10-5 and Field Regulation 10-215, a covert security approval is granted for the use of the Subject, as described in your request as set forth in paragraph 1, above provided that the Subject enters the United States in accordance with the entrance laws, rules, and regulations applicable in the Subject's case.

3. Subjects of covert security approvals are not to represent themselves as, nor are they to be represented as, employees of CIA.
