REFERENCE(S)

EGMA-46722, 5 January 1960

1. In an examination of @ FRIESEN's dossier here in connection with the matter discussed in reference, we were surprised to learn that apparently no BDC check has ever been run on him. A memorandum in the file indicates that he once told a former Munich Base staffer that he had seen his BDC file when he was employed by British Intelligence shortly after the war. So, on the better-late-than-never principle, we herewith request BDC traces on

Heinz Paul Johannes \* FELFE  
born 18 March 1918 at Dresden

2. FOR BOB ONLY: BDC forms are attached. It is conceivable that the information on file will shed further light on @ FRIESEN's uncle, discussed in reference.
