Has established very friendly relations with Dr. Gustav ZEITLER, leader of the BFB (Bayrische Freiheits Bewegung). ZEITLER ostensibly claims that the BFB fulfilled its mission with the conquest of the Nazis, but he has strong feelings on Bavarian separation from rest of the Reich ... is said to be a fanatic on the subject. ZEITLER is very active and supervision of his activities will be maintained.

FAMINE is also in contact with one Herr Hans MUENZLING, secretary of the Transylvanian Committee at Bad Aibling. This group is steadily growing with the arrival of fresh refugees from Roumania, and it is the hope of their leaders to emigrate to the United States. MUENZLING left recently for Roumania and will be contacted by FAMINE on his return.

FAMINE is investigating reports that Russian agents are spreading propaganda among the Munich tramway employees.
