While I am writing you, I would like formally to request that every possible effort be made to expedite the interrogation of FERID who was recently brought to Theater IC, according to Capt. SCHLUTER, on the verbal request of Lt.Col. ROTHSCHILD. FERID's sudden move up here has caused some embarrassment to our people at Third Army who were planning to use him and still hope that he might be used if he can be returned after interrogation in the very near future. Through what I am sure was an unintentional oversight, we were not informed of the proposal to whisk FERID up to Theater IC.
