Following notes on projects and activities of field office taken from LSX-449 (FSRO-730) dated 30 October 1946; Subject "Fortnightly Progress Report for Salzburg Station":

PENTATHOL and VERONAL Projects.

"1. A close working relationship has been established with the local S.I. Branch. DD 102 is working with Major Lifschultz in developing the PENTATHOL and VERONAL projects. The former will probably develop into a tremendous source of C.E. information on the Soviet controlled Polish I.S. The chief agent of the VERONAL Project is now being vetted, and will be sent into Poland on a primary positive intelligence mission in the very near future."
