Handwritten notes:
1. 2
1. 4
1. 4

1. All figures listed in paragraph 1(a) are reasonable.
2. The following additional information on the Torpedo Exploder is desired:
 - a. Sensitivity and wave length range of the receiver.
 - b. More details as to the conditions under which the test firings were made; i.e., was a full scale torpedo used on a regular torpedo test range or was it a laboratory mock-up.
 - c. What is the stage of development.
 - d. What are the electric installations and capacities necessary to transmit the signal.
 - e. ~~What country or company is developing this weapon.~~
 - f. ~~If question 2e is not answerable,~~ is the weapon readily available to the Soviet Union.
3. Information contained in paragraphs 1(a) - 1(e) is credible. In that requirements are being submitted for paragraph 1(f), any additional information is desired.
