#### Possible Invitation to UTILITY

Lt. Col. Abels, who is very good about keeping us posted on his activities, said that he had recently visited Wiesbaden. There he talked to Colonel Gibbons. He reminded Gibbons of an earlier Abels suggestion that General Disoway might wish to invite UTILITY up to Wiesbaden for a courtesy visit and briefing. Gibbons said he was still very much aware of Abels' suggestion and in favor of it. The crush of other business had prevented him from asking General Disoway from issuing an invitation.

As background Abels said that the previous Air Force commander had invited UTILITY up for a briefing. This was said to have been well received. [ ] [ ] accompanied UTILITY on this visit. General Disoway has not yet had an opportunity to offer such a briefing to UTILITY. This note is merely to alert you to the possibility of one being issued.
