ACTION REQUIRED - REFERENCES

Following is an excerpt from my Fortnightly Letter, dated 26 October 1965, which I feel would be of interest to you.

"Brigadier Sir Charles Spry who visited Bonn on the 22nd told me that he had spent two or three very pleasant days with UTILITY, whom he apparently admires very much. President Schrubbers whom I saw on the same occasion was full of his difficulties in Karlsruhe. Although nothing very new has come up during the Paetsch trial he is obviously shaken and very unhappy about it.

"A few weeks ago Poser told [ ] that he had been asked by the Defense Department to go to Munich to "persuade" UTILITY to stay on as president of CATIDE. At about the same time I had lunch with Alias Torgau who said that UTILITY had been in his office that very morning and in better shape than Torgau had seen him in years: happy, gay and playful."
