2. Recruiting among and reporting on activities of Slav groups and individuals. (See also MGM-A-1288 which suggests possible use in Spain.)
3. CANAKIN: []
4. As long as CANAKIN remains in Germany, unchanged. If he should go to Spain, we can rely only partly on the threat of exposing him to the French. In case he goes to Spain, our best control would probably be his gratitude for the fact that we have kept him from a French prison.
5. In Germany, unchanged. Should he go to Spain, he hopes to work as anti-Bolshevik propagandist. This would serve very well as cover for almost any job he might undertake on our behalf.
6. Estimated Costs:
 - a. None.
 - b. 1 CARE Pkg., 2 bottles whiskey, (1 for [], 1 carton cigarettes.
 - c. Salary per month: 300 DM.
 - d. In Germany, as occasion demands (50 DM estimated maximum per month). Should he go to Spain we would probably have to pay his plane fare from Munich to Zurich (\$21.00) and give him 100 Swiss Francs.
 - e. In case he leaves Germany, to obtain an exit permit on the basis of the Argentine visa which he already has.
 - f. (1) \$21.00 plane fare to Zurich plus 100 Swiss Francs.
(2) \$21.00 plane fare to Zurich plus 100 Swiss Francs.
