DISPATCH NO.: MGM-A-1839

CLASSIFICATION

DATE: 23 November 1949

TO : Chief, FBM

FROM : ACOS, Karlsruhe

SUBJECT: General - Operational Matters - Germany
Specific - CANAKIN

REF : MGK-W- 2695

1. CANAKIN was dropped in compliance with your orders contained in reference letter. We had obtained his exit permit for him and our obligations to him were absolved. Unfortunately he was stricken with yellow jaundice just as he was making preparations to leave Germany. We have delayed sending the Agent Service Record pending his actual departure.

2. Last week [] visited CANAKIN in connection with a search for letter boxes which will be needed if the [] operation is approved and found CANAKIN in rather rocky financial straits. He still has enough money to pay for his plane fare to Spain, but has reached the end of his resources otherwise.

3. In order not to endanger his departure because of a lack of funds, request permission to give him an additional month's salary (300 DM). It is present case officer's opinion (also seconded by the two previous case officers who handled him) that CANAKIN has served us faithfully within the limits of his capabilities.

4. Request cable reply.
