SUBJECT: Emigration of GIMZAUSKAS to US.
INITIATED BY: 855 DATE: 28 Oct. 1955

No.	TO	FROM	DATE	COMMENT
1	807	855	28/10/55	<p>@CAESAR requested me on 28 October 1955 to institute inquiries at the US Consulate, Munich, regarding the delay in emigration proceedings for Kazys and Eugenie GIMZAUSKAS (V-15775 and V-15777 of the late Vienna Defection Team). @CAESAR said that when the Org. sent the pair to Vienna, they had had to delay their emigration, although they had not lost their quota status. Now, it appears that they have been notified that emigration proceedings cannot be commenced until February 1956. While the Org has no financial responsibilities for them, the Org still feels a moral obligation to aid them in speedy resettlement in the US.</p> <p>@CAESAR's specific request is to inquire at the Consulate for answers to:</p> <ul style="list-style-type: none">a. What is the nature of the obstacles to immediate emigration for the family GIMZAUSKAS?b. Is it health?c. Is it security? <p>Can 807 inquire into the above matters at the Consulate?</p> <p style="text-align: right;">GLM.</p> <p style="text-align: right;"><i>GLM</i></p> <p style="text-align: right;"><i>HA</i></p> <p style="text-align: right;">240 GIMZAUSKAS</p>
