558-CVAWU

SUBJECT: Project Proposal for QKHOODOO Operation in Identity E

TO: Chief, ZACACTUS
Washington, D.C.

INFO: []

Attn: []

1. Attached is draft of a project outline which is submitted for approval.

2. Our JBRAISE plans to date have not extended to adequate coverage in WSINDUNA and this project, if successful, will give us a base of operations near that area and round out the distribution of our assets.

3. Project approval is requested even though, as this outline indicates, this proposition is in an early stage.

4. Requests for provisional clearance are being initiated in separate dispatches on the two principal agents. Local checks gave no derogatory information. Attachment #2 (276-CSAVA) gives an account of the first meeting with the two prospective agents.

① HILL BRAND, Stanislaus

② POKRBERGER, ING. JOSEF
