1. Attached for Frankfurt and Munich are copies of EASA-5212, 30 June 1959, in which the Salzburg Base requests help in the preparation of a number of caches required for our stay-behind program. Salzburg also requests the loan of some personnel and equipment for the caching expedition.

2. It is requested that the appropriate staffs of the German Mission review this request and, if at all possible, assist the Salzburg Base. Please note that Salzburg would like to put this material in the ground in the last half of August 1959. Personnel of Salzburg Base will be available to consult with the German Mission as needed.
