REFERENCE(S)	INDEXING CAN BE JUDGED BY QUALIFIED HQ. DESK ONLY		

1. We request that \$100.00 worth of gold coins be prepared for caching and issue to GRIMPASTE. These should be in small denominations; we suggest ten-mark pieces, or possibly small denomination Austrian coins. In an emergency agent may need them to barter for food or support. We believe agent's integrity is such that he would not consider using the coins for unauthorized purposes.

2. If this request is granted, we ask that Vienna obtain such coins and pouch them to Salzburg. We will prepare them for caching ourselves and issue them to GRIMPASTE.
