EASA-5188, dated 29 April 1959			
<p>1. We have reproduced and are forwarding as enclosure 1 (Under Separate Cover) copies of all maps and overlays of LZ/DZ's 21 through 42. The reproduced overlays for LZ/DZ number 42a and b are numbered 31ab as they were on the original which was sent to Headquarters as attachment 3 to reference.</p> <p>2. It appears impossible to reproduce the photographic layouts so that both the pictures and their captions are legible; therefore, we are forwarding as enclosure 2 (Under Separate Cover) copies of the original positive prints of the photographic layouts of LZ/DZ's 21 through 30 (we assume you have available the original prints of 31 through 42). Forwarded as enclosure 3 (Under Separate Cover) is a reproduced copy of the photographic layout of LZ/DZ number 36. If you would prefer this type of reproduction rather than the positive prints, please let us know and we will have copies of the remaining LZ/DZ layouts made.</p>
