Subject: General ~~WILHELM~~ - Desires to Report to. : RIK-5082  
See General ~~WILHELM~~

Place Acquired: Italy, Rome

Date of Info. : December 1949

Evaluation : C-3

Date Acquired : Mid-December 1949

Date of Report: 25 January 1950

1. Until mid-1949 subject took active part in political developments in Germany. He retired to Udine (Northern Bavaria) to write his memoirs a few months ago. Subject sustains the theory of neutrality of Germany, i.e., evacuation of Germany by the occupying powers in order to re-unite Germany and eliminate the "Iron Curtain" which would abolish the tension between the allies.
2. This conception of subject, in part (all Germans wish for the elimination of the divisions of Germany) is, however, poorly used by political groups (Lauder circles - Professor ~~WILHELM~~).
3. General ~~WILHELM~~'s political counsellor is a certain ~~WILHELM~~ who is a follower of ~~WILHELM~~ and in a certain sense a proponent of the theory that "a Communist Germany is preferable to no Germany". All attempts made to have ~~WILHELM~~ change his opinion have been to no avail.
4. Now, as in the past, subject would like to come to Italy and possibly to meet with the Italian Chief of Staff. Subject has known General ~~WILHELM~~ since the time in which the latter was in Berlin and has indicated him as his friend.
5. Field Comment: The above report originates with a former high Nazi party official (to be identified by ~~WILHELM~~) who is at present in Rome and who recently entered into contact with subject.
