MEMORANDUM FOR: []
 Office of General Counsel

FROM: []
 IMS/LSS

SUBJECT: Department of Justice Request for Document
 on Jakob Habich

REFERENCE: OGC Telephonic Request of 22 October 1987

The previous request for information on the Subject centered on a 22 December 1954 document held by the Directorate of Operations. This 1954 document was a summary of information derived from an earlier document. This original document, dated 20 December 1950, has been located and is attached. We have no objection to it being made available to the Department of Justice. However, please note that an Agency internal cover sheet attached to this document contains the statement that the document, with other similar documents, was hand carried to the Agency by the FBI on 16 March 1951. Therefore, the release of the attached document should be coordinated with the FBI.

I regret that it has taken so long to obtain the document and the earlier confusion concerning the original source of the information.
