Dr. from ICHSE

During a meeting with AEKIL0/2 in New York the undersigned queried him regarding one Dr. \_\_\_\_\_ ICHSE currently living in Stockholm. AEKIL0/2 stated that in the 1920ies ICHSE served in the Latvian Army. As a consequence of some putsch involving some army officers ICHSE was ousted from the service. ICHSE then took up the profession of dentistry following dental studies. ICHSE was well-known in Riga circles. As an officer with the rank of Captain ICHSE held the decoration, Order of Lācplesis. His right wing views identified him closely with General from RADZINS. ICHSE became active in politics. In either 1954 or 1955 AEKIL0/2 recalls meeting ICHSE at a Latvian conference in London.
