1. Attached are 3 copies of the emigration form for the leader of the Group "TSCHARDAS" of G.V. "I", Paul HODOSY-STROBL.

2. Subject tries to emigrate since February 1950. It is our opinion that the difficulties arose because he is an ex-officer (soldier case). STROBL was a member of the rural police and police in Hungary.

3. Subject's activities for our project are highly appreciated and support in his emigration procedure is desired.

Subject's reports have been evaluated good, reliable and true. Valuable reports were contained in General Project J-212, January 49 and J-243, March 49 Subject: "the present Hungarian Police."
