TO: SAINT, WASHINGTON ✓
FROM: SAINT, LONDON pt
SUBJECT: Emil HOFFMANN

1. Enclosed is a short summary-translation we have made of a somewhat expansive Curriculum Vitae of HOFFMANN, of which the GB-landers sent us one copy.

2. HOFFMANN is of some interest for two reasons. First, he discusses his alleged connexions with a resistance group around Dr. Carl MARCUS and, by implication, close to Kurt JAHKE (about both of whom we wrote you in XX5887 of 2 April 1945). Unfortunately HOFFMANN's discussion of this is too nebulous to be worth anything.

3. Secondly, he is the source of information about Hans NAUTSCH and Hans MAULANN, concerning whom we wrote to Amazon and Austria (XX10350) on 29 December 1945, and to Washington, Amazon, and Austria (XX10669) on 28 January 1946. We are still hoping to hear something about NAUTSCH & Maulann, who is presumably the person referred to by HOFFMANN as having procured release papers for him from Babenhäusen.
