8 May 1952

Chief of Station, Frankfurt

Operational

Erwin JÜTNER

Reference: NCL-18288

1. We would appreciate it if you would make the most discreet inquiries about Erwin JÜTNER now working in the Export Abteilung of DDR Foreign Trade Ministry. We should like to know if any of your people use him or know of him. If you are in regular contact with him, we should like to know how long you have been in contact with him and what sort of information he has supplied.

2. We know that Subject was in possession of information similar (or possibly even identical information) to that contained in referenced report. We also know that Subject has been and probably still is in contact with Alfred NEMM and Dr. Emil ROFFERMAN mentioned in it. It would be particularly interesting for us to know what you know about Subject since this might just be a chance to contact one or both of the latter two people. Either of these men would be an excellent source on illegal East-West trade.
