<p>1. COS/G files contain no information on Subject following the exchange of communications in 1960, of which EGSA-10895 dated 13 September 1960 is the last document. We do not, therefore, know the outcome of the SG investigation which was in progress at that time. If Bonn Base and MLB have no additional information on HOFFMANN, we see no objection to your passing the <input checked="" type="checkbox"/> data contained in reference dispatch to CAVATA and UPHILL. <input checked="" type="checkbox"/></p> <p>2. We also note from the correspondence mentioned in paragraph 1 above that SMOTH in Berlin had requested CALLIKAK coverage on Subject early in 1960. Unless the Bases have information indicating that SMOTH no longer is interested in Subject, we suggest that BOB check this matter out before the <input checked="" type="checkbox"/> information is made available to the German authorities. It is further recommended that both BOB and FOB advise Bonn and MLB if they concur in the passing of reference information to the German Services.</p>
