Dear Sir:

This is in reference to your SO DB-48419 of February 12, 1952, addressed to the Chairman, Displaced Persons Commission, with copies to the Federal Bureau of Investigation and to this Service, regarding Tiberiu HUMITA, and your SO DB-55966 of August 4, 1952, addressed to the Federal Bureau of Investigation, copy of which was endorsed to this Service, regarding Constantin NICUDA alias TIBERIU alias TIBY.

The similarity in background information regarding the subjects of your above-mentioned communications, except for birth data, appears to indicate that the subjects may be identical. This is particularly apparent when your communications are considered in the light of the report of Special Agent Bernard T. Fusco of the Federal Bureau of Investigation, dated May 24, 1952, in the case of Tiberiu HUMITA, FBI File No. 65-60744.

Our file SA-7979321 reflects that Tiberiu HUMITA, now residing in Detroit, Michigan, was born on December 20, 1913, in Sorecan, Cluj, Roumania; that he was lawfully admitted for permanent residence at the port of New York, New York, on March 13, 1951, ex "USIS General C. H. Muir", under Section 2(c) of the Immigration Act of June 25, 1948; that the subject was issued Section 6(a) Immigration Visa 254/79 by the Consular Sub-Office, at Bagnoli, Naples, Italy, on February 8, 1951; that the subject's parents, Teodor Humita and Zina Abrudan, were then residing at Sloesti, Roumania; and that the subject resided in Roumania from 1928 to 1941, in Germany from 1941 to 1945, and in Italy from 1945 to date of issuance of visa.

It will be appreciated if the Central Intelligence Agency and the Federal Bureau of Investigation, to whom a copy of this memorandum is being addressed, can advise whether the subjects of the Central Intelligence Agency memoranda are in fact identical.
