SUBJECT: Information on KAUDER Circle

Time : First half of June 1951  
received: June 15, 1951  
PP 3

1. The following report is based on confidential information with SALZBURG Security Office.
2. After a temporary apparent interruption, see report P/02979, dated May 22, 1951 the connections between Richard KAUDER and Hans (Viktor) ALTMANN seem to have improved.
3. According to KAUDER's statement, the planned intelligence line into Russia is near to being realized; contact with the main liaison has already been taken up. ALTMANN, however, has not yet been informed on details by KAUDER, who first wants to settle the financial problem.
4. Also ~~Mr. Hugo MITTEL~~ tries to participate in such operation, but KAUDER did not yet agree to.
5. KAUDER's Salzburg firm at 30, Schwarzstrasse, phone 4582, styled by himself 'EMKA', does not appear in the registry of Salzburg commercial court. Such bureau also serves as salescenter of a special building material ('Pressasphalt') produced by 'Bürmooser Baustoff G.m.b.H.' at Salzburg-Bürmoos (possibly identical with 'GOKA-Werke GÜDEL & Co.', at Salzburg, 12, Franz Josefstrasse). As intermediary for KAUDER's connection with above firm acts (fnu) HÜBNE (phonetic), employe with or co-owner of 'Bürmooser Baustoff G.m.b.H.'.
6. At the Salzburg bureau Dr. (fnu) ~~SARUNA~~, former chemist, now merchant, and the typists (fnu) HUDOLIN and (fnu) MITTEL are employed.
7. Further, (fnu) HABERMAN, residing at ~~Pr. GILGEN~~, a former officer with German Air Force and temporarily member of SKORZENY's 'special detachment', acts as traveling salesman for above firm. HABERMAN's wife was formerly employed with 'American Express Company', Salzburg, Mozartplatz, and presently serves as interpreter with the Salzburg textile store LOCHBICHLER
