SUBJECT: German Nationals Amateur Radio Listings

References: MGK-A 10966 and MGK-A 9947

1. Attached will be found reference MGK-A 10966 and a copy of the list of German Nationals Amateur Radio Stations dated 15 August 1949. As this list is of considerable interest to special sources available to STC and should prove of general interest as well, it is requested that FDM have four additional copies made of the referred list. After the copies have been made, three of them should be given to STC and the fourth should be transmitted to Registry for a complete and thorough indexing of all names. STC will make the three copies available to its special sources.
