**Staybehind Activities**

1. [ ] [ ], here on TDY, recently made a thorough study of headquarters staybehind files in order to discover areas which needed particular attention or questions and problems the solutions to which he might be able to find while here.

2. On the basis of his study, [ ] [ ] wrote what we feel is a very good paper covering a number of staybehind aspects and raising some very pertinent questions, most of which have to do with Commo aspects of the general staybehind picture. We are enclosing a copy of this paper for your study and general edification and would like to have any comments you might have time to send us.

3. When [ ] [ ] returns to Berlin, it might be a good idea if you and he were to get together and discuss matters of mutual interest.
