THIS INFO. IS QUOTED VERBATIM.				
<p>2. The combination of TRUX's present position as the only Hungarian speaking employee of CIC in Salzburg and his past service as a career officer in the Hungarian army make it inevitable that he be frequently consulted by anti-communist Hungarian intelligence operators in this area. Among his contacts are <u>KOLENYI(fnu)</u>, <u>VIZSNYEI(fnu)</u>, and <u>HEGEDUS(fnu)</u>, all associated with ODEUM, whom TRUX knows as agents of TIB. He is authorized by Ringer to tell them whether any individual they are interested in is suspected of communist activities by CIC in exchange for similar information. This, as far as we know, is the extent of his contact with ODEUM.</p> <p>3. TRUX is also visited occasionally by Capt. KORPONAY, and he is aware of the fact that KOLENYI is in touch with Hungarian intelligence operators working with the FIS. He seems to be fully aware of his delicate position, as well he should since he hopes to immigrate to the US under the DP law, and reports fully and regularly on all his contacts.</p>
