RED SOX/AERODYNAMIC
Personnel and Financial Set-up of Project:
Spec: CAPELIN

CAPELIN's biography forwarded in Feb 52 by [] under MGAA-8532
and MGAA-8696. CAPELIN has been considered as part of the AERODYNAMIC
project because they are paid out of AERODYNAMIC funds.

CAPELIN receives only 250 DM per month salary. (From Boris LEVITSKY
he receives an equal amount.) As of 1 Jan 52 we have rented a safe
apartment for meetings with CAPELIN. This rent cost varies according
to the season of the year: in the cold months when heat is needed it
comes to 105 DM; in the warm months 80 DM. CAPELIN also receives six
cartons of cigarettes (his wife smokes too) and two bottles of liquor
per month.
