Transmits a report from CAPELIN which reveals all CANDIOT told him about an MGB attempt to recruit a friend of CANDIOT's, ~~XXXXXXXXXX~~ FREYTAG and that CAPELIN believes spotter for the MGB was Bruno FREYTAG.

CAPELIN comments: "I know nothing more about the FREYTAG-CANDIOT relationship other than that they are close personal friends, using the familiar du forms in conversation. At times CANDIOT has used FREYTAG's automobile and at times he has borrowed money from FREYTAG. Whether in fact CANDIOT did not suspect FREYTAG of MGB connections previously I do not know. I tend to suspect, however, that throughout their acquaintanceship CANDIOT might have known that FREYTAG is an MGB agent and that FREYTAG might have even served as a go-between between CANDIOT and the MGB.
