2 October 1961

MEMORANDUM FOR: Chief, CI/OA

SUBJECT : AEDOGMA/1  
C-36678

1. It is requested that AEDOGMA/1's provisional operational approval be extended through 31 December 1961.

2. [ ] has requested approval of the terms of termination of the agent. Headquarters has suggested that termination be effective 31 December 1961.

3. [ ] is being informed that AEDOGMA/1's entry into the U.S. is contingent upon clarification of the points raised in the CI Staff review of this operation. The Munich Operations Group has also been requested to cable a summary of the discussions they were to hold with UPRILL on this agent. We shall inform you when the results of these discussions have been received at Headquarters and when termination has actually been effected.
