To *C* *W*

Please see the attached Memorandum from *C* *W*
I discussed the memorandum with *C* *W* this morning
and since we are planning to go ahead with the project
it is going to be necessary to arrange for Koszorus to
come East.

The principal problems seems to be getting a letter to his ~~employers~~
employers to grant him a few days leave. Gene suggested
a letter from the "Army". I know nothing about the manner
we usually proceed in these matters.

Can you let me know what the possibilities and necessary
steps are?
