Headquarters Action Desired: Comment on paragraph 2

1. This [] appreciates having been sent referenced dispatches. We continue to be interested in a move independent of [] in connection. However, in DIR-39670 of 14 November 1956 (sent [] only), Headquarters stated that no KUBARK HIWAY officer was available for the purpose and Headquarters wished to avoid direct contact with the man. We are exploring with Headquarters possibilities for using an outside staffer for this purpose.

2. For Headquarters Only: Inasmuch as some effort to exploit this opportunity in a more adequate manner than is now the case appears desirable, we have considered the possibility of bringing [] into direct contact with KOZMA in the manner suggested by Munich. We believe that this could be done with minor risk to [] cover, partly on the strength of our assessment of KOZMA and partly on the basis of the professional handling we could expect from [] who is quite willing to undertake the assignment.
