Employment of CANGAN

1. Thank you for reminding me about Cangoan, about whom I had already taken some action. In order to bring you and Washington up to date, I have found out that Cangoan has been working ever since he came down into the U S Zone for the U S Resident Officer in Kassel as an intelligence investigator. He furthermore has more recently resumed his old name in a fit of legal consciousness when he married the woman of his choice.

2. I have requested Camise to invite Cangoan to Frankfurt and we will have a session together on what possible usefulness he might have for us.
