Aleks Kurgvel

2 Apr 1962.

TO: Direct Supervisor.

Subject: Outside Activities.

- 1) I participated in the annual meeting of the New York Chapter of the Association of the Estonian Officers in the U.S.A. on 31 March, in the Estonian House, New York, N.Y.
- 2) I participated in the discussion in general, procedural matters and also in one special case, this time to help to avoid a slip from our traditionally and constitutionally apolitical way of activities. This my action was well supported by many other members, so that the initiator did not get any support at all, and it was decided not ever to mention the matter in the minutes of the meeting.
- 3) I proposed the old President for re-election, and I offered a slate of candidates into the Presidium. By this action I avoided a serious presentation of my candidacy. My proposal was successful. Those who were elected were all presented by me. I agreed to be one of the five representatives of the Chapter in the Council of the Association like I have been in earlier times.
