MEMORANDUM TO: Office of Security

ATTENTION : []
SUBJECT : a. A. KURGVEL, []
b. E. REISSER, []

1. A former DOB agent, Alexander VAIDRE [] recently wrote the attached letter to his DOB accommodation address. In the letter VAIDRE speaks about two SR Division assets, A. KURGVEL [] -- who used the Kahler identity when assigned to DOB and who is a contract employee under Project ARJAMER, and Edward REISSER [] a principal agent under former Project ARFREEMAN/ARBASIN. VAIDRE mentions that these two individuals are being "blackmailed by Communist agents and forced to turn over vital information to the Communists and forced to refuse to report certain information to US authorities."
2. We are advised that VAIDRE seems to be psychologically unstable and/or mentally unbalanced.
3. We defer to your office to indicate what action, if any, may be appropriate in clarifying the security status of the two Subject cases. FYI, E. REISSER has been terminated (financially) as of 31 December 1963 although we are still in contact with him in winding up the affairs of ARFREEMAN/ARBASIN.

Dear Sir, I have information that one or more Estonians with this office and most of our outposts have been black-mailed by communist agents and forced to turn over vital info. To communist and forced to refuse to report certain info. To ^{U.S. GUTHRIE} (RUBIN) I understand that Mr. Kalden and Mr. Reinhardt are involved with it.

At present the outposts is trying to blackmail Mr. Suler Parno and to turn him to join their activities against me. Their present activities are again based on incorrect info - so, doomed again.

I have info. that Daisy and Paul (pret in Ee) did know each other.

And I have info. That not only ETO - means but others from Eastern Europe have been blackmailed too.

I did warn and inform this office as far as seven years ago about matters connected with this. I informed verbally and in letters, but was ignored.
Yours Truly, [Signature]
