Heinrich Kutzler

Request that Kutzler bring (or have brought) to Berlin during one of the next weekends his friend Rolf Fährmann so that one of our people can talk to him. As soon as it can be determined just when Fährmann can come to Berlin, I should like to be informed so that I can arrange for a house in which our man can meet him.

E.

Also request that Kutzler be asked when he can meet another of our people to talk about controls on the Czech-German border.
