TO : Baine, Saint, Washington
INFO : Scott, Saint, London
FROM : Tabe, Saint, Amzon
SUBJECT : Vetting of Victor Alexander LARIONOFF

1. Attached please find copy of Raw Report No. 122 on Victor Alexander LARIONOFF who is currently being vetted for X-2.
2. We are sending this information in the form in which was received by this office because it contains a great deal which may be useful in vetting that is not provided for in the regular vetting request form.
3. The information contained in the Raw Report should be sufficient for a preliminary records check. If preliminary record checks are favorable and it is decided to use subject as a full time agent, the additional information necessary for a complete vetting which we do not have at the present time, such as a physical description, present address and all travel and dates, will be forwarded on to you.
4. GEREBKOF, who is listed as the source of the Raw Report, is also currently being vetted by this office. He has been used only as the source of this information and not in an agent capacity at this time. (Cr. SSUDD 0610).
5. Of the various personalities listed in the report we would be particularly interested in any information which you might have on General MALISEKIN who was arrested with subject by the American at the time of the capitulation. Any other information you might have on personalities or groups mentioned, which did not originate from this Mission and would not be in our files, will be greatly appreciated.
