REFERENCE
OFHA-5325, 7 November 1961

Since the reference was written, we have been informed by that
 that Kerkonen has ordered CORNELL's release as he will permit no espionage
 trials until after the Soviet note question is settled. Apparently Kerkonen
 does not want to rock the boat by trying a Finnish citizen for espionage on
 behalf of the Soviet Union. CORNELL was released on 11 November. ()
 CORNELL's passport has been picked up by the as CORNELL wants
 to go to West Germany and thus would be unavailable for any legal action
 which the Finnish Government may take against him after the present political
 situation quiets down.
