Case 32257

2 August 1966

Dear Fred,

I am so sorry to hear that you still haven't found a job. I know that you are trying very hard and it is not easy to locate a job. However, you must keep trying and I am certain that you will be successful in the end.

As I promised you on the telephone I am sending you some money to help you over these difficult times and until you can find another job. Of these \$75.00 I am sending you, I want you to send your daughter \$20.00 of it for her personal use. I am sure this will make her very happy and it should also make you feel good that your friends have not forgotten you—when you need it most.

I am wishing you much success in finding a job but in the meantime please keep me posted on any changes in your status—if you get a job or if you change your place of residence. You may call me "Collect" at 703-522 2156 during working hours. Good Luck Fred,

Sincerely your friend,
