1. We should like to call your attention to AMEMBASSY, VIENNA, #1051, dated December 15, 1952; Peripheral: Activities of Hungarian Refugee Groups. The report is a quotation of CEG Intercept, Salzburg, No. 27782; Date of Comment: 2 December 1952; From: Arnsdorf, West Germany, no name of sender; To: ~~KALMAN~~, Imre, Salzburg-Parsch, Fuerbergstrasse 65.

2. It was originally planned to forward the intercept since it contains information on the MHBK's ambitions regarding the new Administration. However, the Peripheral Reporting Unit dispatch contains the entire intercept in Section 2.

3. There is a more or less constant flow of intercepts from the various anti- and pro-MHBK Hungarian refugees. We have not forwarded them to you since most of them concern the well known personality conflicts and machinations of the Hungarian emigres leaders in Western Europe. If they are of interest, please inform us.
