MEMORANDUM FOR: DIRECTOR (100-100000)
SUBJECT: Report on the Rumanian Army submitted by
Mr. G. Malaxa
REFERENCE: Memo for Support Br, CI to O G, 24 pr 51,
Subj: Report on Rumanian Army

1. Reference is made to a report entitled "Present Organization of the Rumanian Army," submitted to you by Mr. G. Malaxa, who in turn had received it from Mr. C. Neferu.
2. The suspicion that submittal of this report by Mr. Malaxa may be an attempt on his part to establish connections with American authorities with a view to exploiting such connections for enhancement of his own prestige among Rumanian circles, causes serious concern to this office, as it considers Mr. Malaxa's influence among Rumanians especially invidious.
3. In this connection, you may be interested in the enclosed summary of excerpts from various reports on file in this office, concerning Mr. Malaxa. In point of fact, this office is presently conducting negotiations for the organization of an authoritative Rumanian National Committee under the auspices of the King, and considers the presence of Mr. Malaxa in this country a source of intrigue and a menace to these negotiations. Indeed, at this juncture, it would be a relief to this office to see Mr. Malaxa out of this country, if it were possible.
