Excerpt of pertinent information :

THIS INFORMATION IS TAKEN VERBATIM FROM THE ABOVE DOCUMENT:

1. Current plans of the Politbureau and Political Council of OUN/B; since the fall of 1949 the OUN/B has been in the process of transferring hq gradually from Germany to France. Myron MATVIEKO @ JURIK, head of the SB, has been in France several times during this period. OUN/B has come into possession of a farm somewhere in the French provinces, through the assistance of Gen. de Gaulle, which ostensibly is a collecting point for Ukrainian refugees but actually will serve as OUN/B hq and a training area for OUN/B operations.
2. The Espionage section of OUN/B is headed by subject and is charged with maintaining contact with Poland and the Ukrainian; with penetrating CIC, and other intelligence agencies, and with the penetration of other Ukrainian groups in exile. Subject possesses travel documents with which he seems to move freely between France and Germany.
3. Current plans and policies of OUN/B are interference with operations of all other intelligence groups presently contacting UPA in the Ukraine. Subject's instructions on this point, issued in the fall of 1949, are that no couriers other than those to and from OUN/B are to be permitted to cross the borders. If this cannot be prevented, the SB is instructed to blow the operation by passing on to the Soviets any information which they may have on the operation."
