SUBJECT <b>NYXIS/HIWAY/Administrative Mr. James McCargar's Proposed Study of the 1956 HIWAY Revolution</b>		
ACTION REQUIRED - REFERENCES		
<p>1. We have considered the merits of Mr. McCargar's proposed book on the 1958 Revolution and have concluded that it would not be in the best interest of ODYOKE or KUBARK to make non-public material available to him. As you know, relations with HIWAY, while leaving a good deal to be desired, are nevertheless in better shape than they have been for some time and we do not judge it to be to ODYOKE's advantage to make material available to publication which could complicate these relations or at least adversely affect chances for improving the relations. Obviously, we have no comment on Mr. McCargar's writings based on overt materials.</p> <p>2. A somewhat lesser consideration is Mr. McCargar's qualifications for the writing of a serious, authoritative work on this subject. No doubt he is a gifted writer but he has neither the scholarly nor public reputation to propel anything he writes into the public eye with the proper authority. In any event, much has already been written on this subject and much of it is serious and would seem to serve the purpose which Mr. McCargar had in mind.</p> <p>3. The various KUBARK offices who could possibly be approached by Mr. McCargar on this matter have been informed accordingly.</p> <p>4. Strictly for your information only, this decision was reached on the basis of a NYXIS recommendation concurred in by Chief, KUDOVE and approved by the Deputy Director/KUBARK.</p>
