CAUTERY 3 Project

Re: MGB-A-7297

Karlsruhe Station File

1. Evidently through error reference memorandum was sent direct to FDM without passing through COS. We wish to make reference to MOK-A-18131, para 1a which states that all field projects, or memoranda proposing changes in financial commitments must be sent to COS for approval before dispatch to Washington. In the future, will you please comply.
