SUBJECT Gerhard von Mende  
TO : Lt. Col. van der Gracht and Comdr. Helms

von Mende*

1. A letter from above subject came through this office a short time ago, in which he stated his willingness to work for this organization. Since I never saw the final interrogation report on subject, nor the curriculum vitae, I do not know if such employment would be approved by X-2.

2. Should, however, no objection be raised by X-2 to his employment, I would be greatly interested in having him work for this Unit in Berlin, in an undercover job, since he is well acquainted with the minority questions in Russia and knows the White Russian and other minority circles in Berlin.

3. Should this be approved by you, suggest that the undersigned contact von Mende in Göttingen in order to recruit him. Subject is known to me. Request that this letter be given immediate consideration and action.
