1. NAVA-8371, 25 May 1951 and NAVA-8589, 14 June 1951, indicate that both JOE and Vienna were interned in Johann MIKA, although contact was never made. On 12 March 1951, Johann MIKA was recruited for an B operation of CIC Detachment 35. It is suggested that MIKA be checked with Vienna and that Zipper be informed of MIKA's past and/or present CIC affiliation.

2. There is a possible reference to subject in RI dated 5 November 1944. The name Johan MIKA appears in a list of Germans interned in Camp Miranda, Spain, for having clandestinely crossed the Spanish frontier.

3. MIK/3960, dated 29 March 1951, contains the information that Johann MIK is a married Roman Catholic. He began his career as a policeman in Vienna in 1927. In 1937 he was sent to the Offiziersakademie and in 1938 changed over to the Stantspolizei. In the spring of 1939 he was made a personal guard of Cardinal INHYZER. At the end of May 1938 he was taken automatically into the NSDAP with a large group of policemen. He advanced to the Kriminalkommissar and served most of the war in the Abwehr Ost. Since 1943 and the end of the war he has worked in the building trade as a helper, a truck driver; and, since 11 March 1951, has had only seasonal employment. He now lives in the Russian Zone of Vienna.

4. It is noted that alternate spellings of the name Johann MIKA appear in correspondence as MIKA and MIK.
