CURRICULUM VITAE

(handwritten)

I, Werner Rolf MÜHLER, was born on 14 Feb 1910 in Limbach/Saale, the son of teacher Otto MÜHLER and his wife Fridde M. nee DEHNERT. From Easter 1916 to Easter 1920 I attended elementary school in Chemnitz. Easter 1920 I became a student at the "Reformrealgymnasium" in Chemnitz, from which I graduated in 1929. I began my [university] studies in the 1929 summer semester. My subjects were geography, Romance and English languages and literature. I also took philosophy and education courses. I studied at the universities of Heidelberg, Kiel, Grenoble, and Leipzig. I passed the State Exam for secondary school teachers in February 1935 and thus became entitled to teach geography, French, and English in all secondary school grades. At the time I concluded my studies, the employment situation in Saxony was very bad. During summer 1935 I became a full-time employee of the Security Service (SD). Following a brief ~~per~~ period of employment in Leipzig, I was transferred to the Main Office in March 1936. There I remained until the end of October 1938. At that time I became Section Chief in the SD Sector of Karlsbad. From December 1939 until March 1940 inclusive I got training in Artillery Regt 53 in Ansbach. I was subsequently returned to the SD Main Office (Dept VII). From end of June 1940 to date I have been stationed in France; I am currently Chief of Rouen Station.

I believe in God and have the following decorations: Campaign Medals for Austria, Sudetengau, Prager Burg, and the War Service Cross Class II with Swords.
